

## A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

### Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

### TO RECOVER INSURANCE.

Interesting Case on Trial in the United States Court.

SAVANNAH, March 27.—An interesting trial is on in the United States court here, the case being that of Mrs. Margaret Dooner versus the Standard Life and Accident Insurance company of Detroit. This is a suit on an accident insurance policy held by Joseph F. Dooner, as one of the plaintiffs, who died from the effects of a pistol wound in Columbus on Nov. 4, 1898.

The insurance company declined to pay the policy of \$5,000, which he carried on his life for two reasons, the first being that the note due for the premium was overdue, having been payable Nov. 1, four days before Mr. Dooner's death; and the second that he had committed suicide and that the accident policy was, therefore, void.

### Moody and the Heretics.

The Rev. Dr. A. T. Pierson some years ago wrote a letter to Mr. Moody strongly opposing the appointment of Professors Henry Drummond and George Adam Smith as speakers at Northfield on the ground that they were heretics. Mr. Moody replied as follows:

"My Dear Pierson—I thank you from my heart for your fidelity to me. May God bless you for it! I am as anxious as you are to maintain the integrity of the word of God, and for any suggestions you have made I thank God and you."

And then he promptly sent the invitation to the two alleged heretics.
